PRICE LIST OF ORNAMENTAL NURSERY STOCK

Stewart's YULE TREE FARM AKELEY, PENNSYLVANIA

Phone: Russell 2395 or 2957

As GROWERS of evergreens and other ornamental nursery stock we give no guarantee as to growth. However, our stock is backed with 24 years' experience and interest; it has been carefully grown, root pruned and sheared, and is offered only in first class condition.

Prices are for trees at the nursery, and include balling and burlapping (B & B) except where noted.

BRIEF PLANTING INSTRUCTIONS

EVERGREENS: Plant between Sept. 1 and June 15. Leave burlap on ball, merely loosening at top; water well after filling hole 2/3 full of soil.

DECIDUOUS: While dormant, about Oct. 15 to May 1, dig hole large enough to spread roots fully; fill to 1/2 with soil, water well and after water soaks in tamp soil firmly in remainder of hole.
